

EQUIPMENT RENTAL AGREEMENT BLANKET FORM

This agreement serves as a blanket rental form for all equipment listed on the back of this page that is rented in **2022**.

- I assume full liability and responsibility for damages to, or caused by, the equipment (beyond normal wear and tear) from the time I obtain it until I return it to the Noble Soil and Water office or it is picked up. I will inspect the equipment and will notify the Noble Soil and Water Conservation District (SWCD) at (740) 732-4318 as to any problems with the equipment before and after using it.
- I do agree to pay for parts and labor at a rate of **\$29** per hour (if it can be fixed at the SWCD) or actual cost if it must be sent to a shop to be repaired.
- I agree to grease the equipment before using.
- I agree to use the equipment immediately, weather permitting, and will call the SWCD when I am finished with the equipment to report the acres (tons) for billing purposes. The maximum number of days a renter may keep possession of a piece of equipment is five calendar days.
- I will store the equipment in a dry area when not in use, if possible.
- **I agree to remove all material (seed, fertilizer, lime) from the equipment upon completion. Failure to do so will result in a \$60 fee for cleaning.**
- Maximum hauling speed for all equipment (except the Brillion Seeder) is 25 mph.
- **Lime spreader can be used for lime only. NO SCREENINGS! NO more than 4 ton may be loaded into the hopper at one time. Spreader is NOT to be used to transport lime on the road such as to and from a facility that is selling lime.**
- Billing terms are "Net due." If this is not possible, please contact our office to make payment arrangements. Accounts over 60 days will be subject to interest charges at 18% APR.
- **The boom sprayer and weed wiper must be cleaned, according to the chemical you used specifications after use. Noble SWCD assumes that the sprayer has been properly cleaned after each use, you rent the sprayer AT YOUR OWN RISK! Noble SWCD highly recommends that you clean the sprayer prior to and after use.**
- Any accounts that have not had any payments made at the 120-day point will be turned over to the Noble County Prosecutor for collection.
- Any user who has previously been turned over for collection, must be current and will be required to pay in full before receiving equipment for use.
- Upon signing this form, I agree to all terms and conditions.

RULES FOR OUT OF COUNTY USAGE

- Please note that rates for out of county residents will be higher than for Noble County residents.
- Priority will be given to Noble County residents.
- Mileage will be charged for delivery and pick up out of the county at a rate of \$1.30 per mile. This rate will be calculated from the Noble County SWCD office regardless of where the equipment is picked up at, using Google Maps.
- Noble County residents who own land in an adjacent county may use the equipment on their out of county land at the in-county rate.

Updated and approved at January 2022 Board Meeting

Equipment	Noble County Rates	Out of County Rates	Tractor Requirements
125 Gallon Sprayer	\$63 per day + 7.25% Tax	\$84 per day + 7.25% Tax	25 HP 3pt hitch
